DEAR MAMA

You are doing an incredible job.

In the chaos of motherhood - the laundry piles, the tantrums, the school runs, the sleepless nights - it's easy to forget that God has wisdom specifically for YOU in this season.

The book of Proverbs is packed with practical, daily wisdom that applies directly to the beautiful, exhausting work of raising humans.

This devotional gives you 31 days (one for each day of the month).

Each day includes:

- * A coloring page with the verse beautifully illustrated
- * A devotional page with application for moms

HOW TO USE:

- Color while the kids nap (or while they color beside you!)
- Read the devotional during your quiet time
- Journal your thoughts in the spaces provided
- Use colored pencils, markers, or crayons
- There's no wrong way to do this

You are seen. You are loved. You are enough.
