COLORING TIPS FOR STAINED GLASS

Stained glass coloring is easy and beautiful!

TIPS FOR BEST RESULTS:

1. Use BOLD, bright colors - stained glass is vibrant!
2. Color with even pressure for smooth fills
3. Leave the thick black outlines uncolored
(they represent the lead between glass pieces)
4. Try colored pencils, gel pens, or markers
5. Don't worry about staying perfectly in the lines
6. Consider using metallic gold/silver for borders
7. Work in good lighting for comfortable coloring

SUGGESTED TOOLS:

- Colored pencils (easiest to control)
- Gel pens (vibrant colors)
- Fine-tip markers (bold effect)
