# INTRODUCTION

**In ancient times, a person's name revealed their CHARACTER.**

God has MANY names in Scripture - and each one reveals a different facet of who He is. Like a diamond with many sides, each name shows us a new dimension of His nature.

This journal explores 30 names of God. Each includes:

- \* A coloring page with the name artistically lettered
- \* A meditation page with the meaning and reflection prompts

As you color each name, meditate on what it reveals:

- What does this name tell me about God's character?
- When have I experienced this aspect of God?
- How does knowing this name change my prayers?

**Take your time. Let each name sink deep into your soul.**

By the end, you will KNOW God more deeply than before.
