Week 1-2: Foundation Skills

Name recognition and basic trust

Week 1-2: Foundation Skills

In this chapter, we dive deep into week 1-2: foundation skills ? one of the most important aspects of puppy training and dog behavior that most people overlook.

Understanding this principle will save you time, reduce stress, and help you achieve measurable results faster than you thought possible.

Here is what research and real-world experience tell us:

PRINCIPLE 1: Start with clarity. Before you can make progress in week 1-2: foundation skills, you need to know exactly where you stand right now. The assessment on the next page will help you establish your baseline.

PRINCIPLE 2: Small consistent action beats big sporadic effort. You do not need to overhaul everything overnight. Focus on one improvement this week.

PRINCIPLE 3: Track what matters. What gets measured gets managed. The trackers in this chapter make it easy to see your progress.

PRINCIPLE 4: Build systems not just goals. Goals tell you where to go. Systems get you there day after day without relying on motivation.

PRINCIPLE 5: Celebrate progress. Your brain needs positive reinforcement to maintain new habits. Notice and celebrate every small win.

Let us put these principles into practice with the worksheets and tools that follow.

Frequently Asked Questions

Q: How long will it take to see results?

Most people see noticeable improvement within 2-4 weeks of consistent action. Remember: progress is not linear. Some weeks will feel slower than others. Trust the process.

Q: What if I fall behind?

Start again from where you are. Do not go back to page one. Just pick up the next uncompleted worksheet and continue forward. Progress, not perfection.

Q: Can I share this with my spouse/partner?

Yes! You may print copies for anyone in your household. You may NOT share the digital file itself outside your home.

Q: What if this topic requires professional help?

This resource is educational, not a replacement for professional guidance. If you need specialized support, please consult a qualified professional in this area.

Q: How do I get the most from this book?

Complete one chapter per week. Do every worksheet honestly. Track your progress. Review weekly. Celebrate wins. Adjust as needed.
