VISION BOARD PLANNING

A vision board is a visual representation of your dreams and goals. It helps your brain focus on what you want to create in your life. When you see your goals every day, your subconscious mind works toward them even when you are not actively thinking about it.

CATEGORIES FOR YOUR VISION BOARD:

- Education & Learning
- Health & Body
- Friendships & Relationships
- Creativity & Hobbies
- Career & Purpose
- Travel & Experiences
- Personal Growth
- Giving Back
