Miracle 1

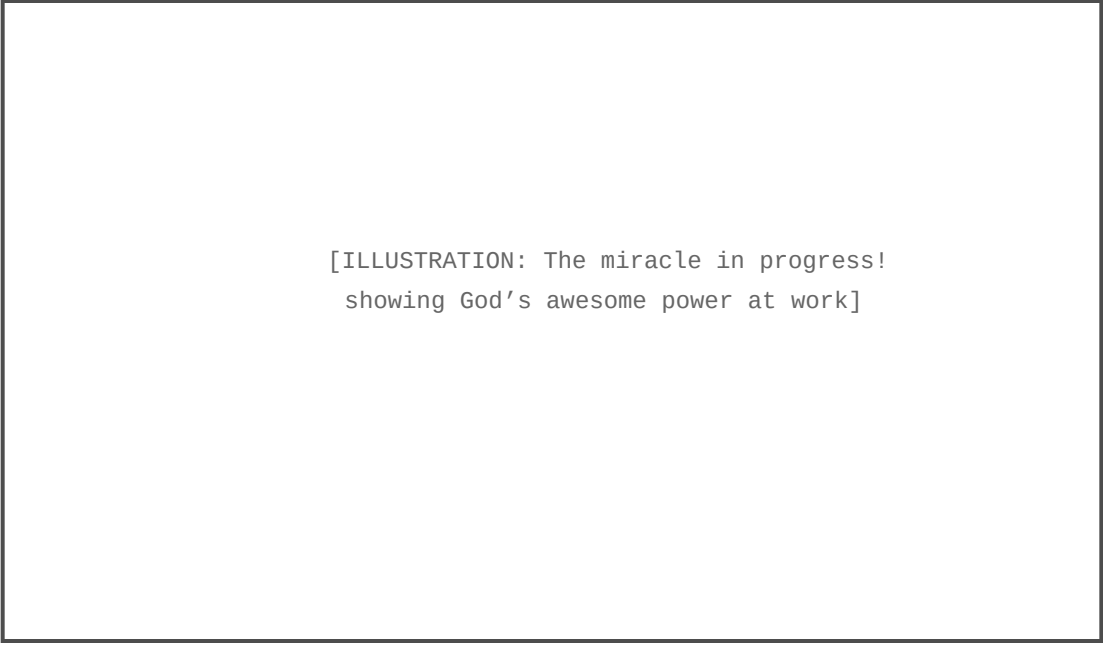

CREATION - GOD MAKES EVERYTHING

[ILLUSTRATION: Creation - God Makes Everything
dramatic miracle scene with bright colors]

Before anything existed, there was only God. No stars, no sun, no animals, no people - just darkness and emptiness everywhere. Then God spoke, and His powerful voice echoed through the void. 'Let there be light!' And instantly, brilliant light burst into existence, pushing away the darkness.

Creation - God Makes Everything (continued)

Day after day, God continued creating amazing things. He separated the sky from the water, gathered oceans together, and made dry land appear. He filled the ground with grass, flowers, and mighty trees. He set the sun blazing in the sky for daytime and hung the moon and billions of twinkling stars for nighttime. He packed the seas with colorful fish, filled the skies with soaring birds, and covered the land with every kind of animal imaginable.

Creation - God Makes Everything (the miracle!)

On the sixth day, God did something extra special - He formed a man from dust and breathed life into him. He created woman from the man's side to be his partner. God looked at everything He had made and said it was VERY good! On the seventh day, God rested. The entire universe - every galaxy, every mountain, every tiny butterfly - was spoken into existence by God's voice alone. That is the greatest miracle of all!

NOAH'S FLOOD - GOD SAVES A FAMILY

[ILLUSTRATION: Noah's Flood - God Saves a Family
dramatic miracle scene with bright colors]

The world had become so wicked that God was deeply saddened. But one man named Noah still loved and obeyed God with all his heart. God told Noah He would send a great flood to wash the earth clean, but He had a plan to save Noah's family. God gave Noah exact instructions to build an enormous boat called an ark.

Noah's Flood - God Saves a Family (continued)

Noah built the ark for many years while people laughed at him. It had never even rained before! But Noah kept building, trusting God's word completely. When the ark was finished, God sent two of every kind of animal marching, flying, and crawling toward the boat. Lions walked alongside lambs. Eagles flew in next to sparrows. Noah's family loaded food and supplies for everyone. Then God Himself shut the door of the ark tight.

Noah's Flood - God Saves a Family (the miracle!)

Rain poured from the sky for forty days and forty nights without stopping. Water burst up from underground springs. The flood covered the entire earth - even the tallest mountains disappeared underwater! But inside the ark, Noah's family and all the animals were safe and dry. After many months, the water receded, and a dove brought back an olive branch showing land had appeared. God placed a beautiful rainbow in the sky as His promise to never flood the whole earth again.

PARTING THE RED SEA

[ILLUSTRATION: Parting the Red Sea
dramatic miracle scene with bright colors]

The Israelites had just escaped slavery in Egypt through God's mighty plagues. They were finally free! But Pharaoh changed his mind and sent six hundred war chariots thundering after them. The people found themselves trapped between the crashing waves of the Red Sea ahead and the dust cloud of the approaching army behind them.

Parting the Red Sea (continued)

The people screamed in terror, certain they would die. But Moses stood firm and raised his staff toward heaven. He commanded the people to be still and watch God work. A pillar of cloud moved between them and the Egyptian army, blocking the enemy. Then Moses stretched his hand over the sea. An incredible east wind began to blow with supernatural force, howling through the night.

[ILLUSTRATION: The miracle in progress!

Parting the Red Sea (the miracle!)

The waters of the Red Sea split apart like curtains being pulled open! Two massive walls of water rose up on either side, and a wide path of dry ground appeared in between. The Israelites walked through with water towering above their heads on the left and right. When the Egyptians charged in after them, Moses stretched out his hand again and the walls of water came crashing down, covering the entire army. God had performed the most spectacular rescue in history!

MANNA FROM HEAVEN

[ILLUSTRATION: Manna from Heaven
dramatic miracle scene with bright colors]

After crossing the Red Sea, the Israelites traveled deep into the desert wilderness. There were no farms, no stores, no restaurants - nothing but sand and rocks stretching endlessly in every direction. The people began to grumble and complain, wishing they were back in Egypt where at least they had food. They were hungry and scared.

Manna from Heaven (continued)

God heard their cries and promised Moses something incredible would happen the very next morning. He told Moses that He would rain down bread from heaven! The people must have wondered how that was possible. That evening, thousands of quail birds flew into the camp, providing meat for dinner. Then the people went to sleep wondering what the morning would bring.

[ILLUSTRATION: The miracle in progress!

Manna from Heaven (the miracle!)

When dawn broke and the dew lifted from the ground, the Israelites found something amazing covering the earth like frost. Small, round, white flakes covered the ground everywhere they looked! It tasted like wafers made with honey. They called it 'manna' meaning 'What is it?' God sent fresh manna every single morning for FORTY YEARS - enough for everyone to eat their fill. God proved He could feed millions of people in the middle of a desert with food that fell from the sky!

WALLS OF JERICHO FALL DOWN

[ILLUSTRATION: Walls of Jericho Fall Down
dramatic miracle scene with bright colors]

The massive city of Jericho stood like an impossible fortress blocking the Israelites from entering the Promised Land. Its walls were so thick that houses were built on top of them. Armed soldiers patrolled the top day and night. The gates were locked tight and no one could get in or out. Everyone inside felt completely safe from any attack.

Walls of Jericho Fall Down (continued)

God gave Joshua the most unusual battle plan in military history. No battering rams, no siege towers, no ladders - just marching and music! The army would walk around the city once a day in complete silence for six days, with priests carrying trumpets made from ram's horns. On the seventh day, they would march around seven times, blow the trumpets, and shout. It made no logical sense, but Joshua obeyed completely.

[ILLUSTRATION: The miracle in progress!

Walls of Jericho Fall Down (the miracle!)

For six days, the silent army marched while Jericho's defenders watched in confusion from the walls above. On the seventh day, after the seventh trip around the city, the trumpets blasted and all the people shouted with all their might! The ground shook, cracks raced up the massive walls, and with a thunderous CRASH the entire wall collapsed flat into the dust! Every section fell outward. God proved that faith and obedience are more powerful than the strongest fortress ever built.

ELIJAH'S FIRE FROM HEAVEN

[ILLUSTRATION: Elijah's Fire from Heaven
dramatic miracle scene with bright colors]

Israel had been worshipping a false god called Baal, and the prophet Elijah was fed up. He challenged 450 prophets of Baal to a contest on Mount Carmel. Each side would prepare a sacrifice but use no fire - they would call on their god to send fire from heaven. Whichever god answered with fire would be proven as the real God. The people gathered to watch.

Elijah's Fire from Heaven (continued)

The prophets of Baal went first, dancing and shouting from morning until afternoon. They screamed, jumped around, and begged Baal to answer. Nothing happened. Elijah even made fun of them, suggesting their god might be sleeping or on vacation! They yelled louder and louder but still nothing - not a spark, not a flicker. Finally they gave up, exhausted and humiliated before the watching crowd.

Elijah's Fire from Heaven (the miracle!)

Then Elijah rebuilt God's altar, arranged the wood and sacrifice, and did something shocking - he poured TWELVE huge jars of water all over everything until it was completely soaked and a trench around the altar was filled with water! Then Elijah simply prayed one quiet prayer. WHOOSH! Fire exploded from heaven, consuming not just the sacrifice but the wood, the stones, the dirt, and even all the water in the trench! The people fell on their faces shouting 'The LORD - He is God!'

JONAH AND THE GREAT FISH

[ILLUSTRATION: Jonah and the Great Fish
dramatic miracle scene with bright colors]

God told the prophet Jonah to go to the wicked city of Nineveh and warn the people to repent. But Jonah didn't want to go! He was afraid and angry, so he ran in the opposite direction. He found a ship sailing far away and paid for a ticket, thinking he could escape from God. He went below deck and fell fast asleep, running from his mission.

Jonah and the Great Fish (continued)

God sent a terrible storm that threatened to tear the ship apart. Massive waves crashed over the deck while fierce winds howled. The terrified sailors discovered Jonah was running from God and reluctantly threw him overboard at his own request. The instant Jonah hit the water, the storm stopped completely. But Jonah was sinking into the dark ocean depths. Then God sent an enormous fish that swallowed Jonah whole!

[ILLUSTRATION: The miracle in progress!

Jonah and the Great Fish (the miracle!)

Inside the belly of the great fish for three days and three nights, Jonah finally prayed to God with a repentant heart. He thanked God for saving his life and promised to obey. Then the fish swam to shore and vomited Jonah onto dry land! This time when God said 'Go to Nineveh,' Jonah went immediately. The entire city repented and was saved. God used a storm, a fish, and second chances to show that His plans cannot be stopped.

JESUS WALKS ON WATER

[ILLUSTRATION: Jesus Walks on Water
dramatic miracle scene with bright colors]

It was late at night and Jesus' disciples were alone in a small boat far from shore. A powerful storm had blown in with strong winds pushing against them. The waves grew larger and more dangerous with each passing hour. The disciples rowed with all their strength but could barely make progress. They were exhausted and frightened as the storm raged around them in complete darkness.

Jesus Walks on Water (continued)

Then in the darkest hour, around three in the morning, the disciples saw something that made them scream in terror. A figure was walking toward them on TOP of the surging waves! They thought it was a ghost and cried out in fear. But then a familiar voice cut through the howling wind - 'Take courage! It is I! Don't be afraid.' It was Jesus, calmly strolling on the surface of the raging sea as if it were solid ground.

[ILLUSTRATION: The miracle in progress!

Jesus Walks on Water (the miracle!)

Peter, always the boldest, called out asking if he could walk on the water too. Jesus said 'Come!' and Peter actually stepped out of the boat and walked on the waves toward Jesus! But when he noticed the wind, he became afraid and started sinking. Jesus immediately grabbed his hand and pulled him up. The moment they climbed into the boat, the storm completely stopped. The disciples worshipped Jesus saying 'Truly you are the Son of God!'

FEEDING THE FIVE THOUSAND

[ILLUSTRATION: Feeding the Five Thousand
dramatic miracle scene with bright colors]

Thousands of people had followed Jesus to a remote hillside to hear Him teach and be healed. As evening approached, the disciples grew worried - there was no food anywhere nearby and over five thousand hungry people needed to eat. They suggested sending everyone away to find their own food in nearby villages. But Jesus said something shocking: 'You give them something to eat.'

Feeding the Five Thousand (continued)

The disciples were stunned. Feed five thousand people? That would cost a fortune! Then a young boy stepped forward carrying his small lunch - just five little barley loaves and two small fish. Andrew brought the boy to Jesus but said doubtfully, 'What good are these for so many people?' Jesus smiled, took the tiny lunch, looked up to heaven, and gave thanks to His Father.

[ILLUSTRATION: The miracle in progress!

Feeding the Five Thousand (the miracle!)

Jesus broke the bread and fish, handing pieces to His disciples to distribute.

They walked through the crowd passing out food - and it kept coming! Piece after piece, basket after basket, the food never ran out. Every single person in that crowd of over five thousand ate until they were completely full and satisfied.

When they collected the leftovers, there were TWELVE baskets overflowing with food remaining! From one boy's tiny lunch, Jesus fed a multitude and had more left over than what they started with.

THE RESURRECTION OF JESUS

[ILLUSTRATION: The Resurrection of Jesus
dramatic miracle scene with bright colors]

On a dark Friday, Jesus was crucified on a cross and died for the sins of the whole world. His friends were devastated and heartbroken. They wrapped His body in linen cloth and placed it in a tomb carved from rock. A massive stone was rolled across the entrance and Roman soldiers stood guard. Everyone thought the story was over. Hope seemed lost forever.

The Resurrection of Jesus (continued)

Early on Sunday morning, some women who loved Jesus went to the tomb carrying burial spices. But as they approached, the ground shook with a powerful earthquake! An angel descended from heaven, bright as lightning, and rolled away the heavy stone like it was a pebble. The guards fainted in terror. The women looked inside the tomb with trembling hearts and saw something that changed the world forever.

The Resurrection of Jesus (the miracle!)

The tomb was EMPTY! The burial cloths were neatly folded, but Jesus' body was gone! The angel declared joyfully, 'He is not here - He has RISEN just as He said!' Then Jesus Himself appeared to them, alive and glorious! He appeared to His disciples, ate with them, taught them for forty days. Death could not hold Him. The greatest miracle in all of history - God's Son conquered the grave and offers eternal life to everyone who believes in Him!
