UNDERSTANDING IEP GOALS

An IEP (Individualized Education Program) is a legal document that outlines your child's educational goals and the support they'll receive. Understanding how goals work empowers you as a parent advocate.

SMART GOALS FORMAT:

- S - Specific: What exactly will the child do?
- M - Measurable: How will progress be tracked? (numbers, percentages)
- A - Achievable: Is this realistic for your child?
- R - Relevant: Does this address a real need?
- T - Time-bound: By when? (usually within the IEP year)

EXAMPLE OF A GOOD IEP GOAL:

'By [date], [child] will read grade-level passages and answer comprehension questions with 80% accuracy in 4 out of 5 trials, as measured by teacher-created assessments.'

WHAT TO LOOK FOR IN YOUR CHILD'S GOALS:

- Is the baseline stated? (where they are NOW)
- Is the target clear? (where they should be)
- How will it be measured? (data collection method)
- How often will data be collected?
- Is progress reported to you regularly?

YOUR ROLE AS A PARENT:

- Request progress reports (at least quarterly)
- Track progress at home (this workbook helps!)
- Attend all IEP meetings prepared
- Ask questions when goals are unclear
- Request changes if goals aren't appropriate
